

About us:

Hermann Export A/S was founded in 2002, and is situated in Havøysund in the north of Norway, just 70 km from North Cape. Right outside our harbour is one of the world`s cleanest and richest fishing grounds located. From this area we get our raw materials for production. We produce and export salted and dried fish products worldwide. In addition we pack various species of fresh fish on ice for the domestic and European market. Our production facilities are modern and fully satisfies the requirements for HACCP.

The company is owned by Hermann Pettersen, Linda Pettersen and Wiggo Pettersen.
